There s the missing orphan mystery, there s Blandine s relationship with her fiance and her relationship with Drummond (the English spy), there s the trading aspect of Blandine s life and the day-to-day life in the settlement, then there s the life and times of the orphan children .

drool If you can get past the fairly brutal start (and I m not even particularly squeamish), you ve got a lot in store for you.

You know the drill: Open the book that you re reading to a random page Share two teaser sentences from somewhere on that page Don t be a jerk: NO SPOILERS! Be sure to include the title & author.
