Ever heard that saying good on paper, bad in bed ? It s like when you re on match.com and your date checks aaaaall the boxes and then you meet and there s absolutely no chemistry.

But it was too late.

The most wonderful part of the book was Blandine.

Both the search for the killer and Edward and Blandine s newfound romance are endangered, however, when Blandine is accused of being a witch and Edward is sentenced to hang for espionage.

In truth, it was higher, broader, and firmer; because for her there were perils, not known, or imagined, by those others who had no such secrets to alarm or endanger them.
