But! I want to give you a chance to love it, so .

Karen! Congratulations Karen by the time this posts, we ll have already gotten in touch to facilitate the giving away of the stuff.

They are building without plans or advice, and when winter comes early, the overwhelming isolation of the prehistoric wilderness threatens their bond to the core.

Picture it: a chaotic new world, a charismatic heroine, a betrothal gone wrong, an English spy for heaven s sake, and a mystery involving missing children.

and cause intense cravings for human flesh (which took me back to those Scary Stories

Hosted by MizB of Should Be Reading, Teaser Tuesdays is a good excuse for us all to share a bit of what we re reading this week.
