Orphan children are going missing, and among those looking into the mysterious state of affairs are a quick-witted twenty-two-year-old trader, Blandine von Couvering, herself an orphan, and a dashing British spy named Edward Drummond.

You re welcome.

There s the missing orphan mystery, there s Blandine s relationship with her fiance and her relationship with Drummond (the English spy), there s the trading aspect of Blandine s life and the day-to-day life in the settlement, then there s the life and times of the orphan children .

Still, this book was good.
