Wait! Let s not forget about the impending war between the Dutch colonies and the English (who are coming to take that shit).

Gary, driven by thirty years of diverted plans, and Irene, haunted by a tragedy in her past, are trying to rebuild their life together.

In truth, it was higher, broader, and firmer; because for her there were perils, not known, or imagined, by those others who had no such secrets to alarm or endanger them.

Both the search for the killer and Edward and Blandine s newfound romance are endangered, however, when Blandine is accused of being a witch and Edward is sentenced to hang for espionage.
