There's the missing orphan mystery, there's Blandine's relationship with her fiancé and her relationship with Drummond (the English spy), there's the trading aspect of Blandine's life and the day-to-day life in the settlement, then there's the life and times of the orphan children.

drool If you can get past the fairly brutal start (and I'm not even particularly squeamish), you've got a lot in store for you.

You know the drill: Open the book that you're reading to a random page. Share two teaser sentences from somewhere on that page. Don't be a jerk: NO SPOILERS! Be sure to include the title & author.
